Full service interior design for custom kitchens, bathrooms, basements and other finished carpentry.

From classic to contemporary, residential to corporate, **Desborough Construction** provides style that makes a statement.

As part of our service, we offer complimentary design work and free estimates. In addition we provide turn key interiors with architectural details that make a difference. Our team of highly skilled tradesmen and craftsmen strive to perform the best job possible at all terms while maintaining the highest level of customer satisfaction and professionalism every step of the way.

Our company has a reputation for unsurpassed quality, service, value and meticulous attention to detail. Every job receives the same commitment to detail and customer satisfaction whether its budget, middle or high end. Every year we continue to expand our customer base through honesty, quality and timely service with a "can do" attitude. We are also now dealing with commercial accounts and maintenance for big box retailers throughout the region. We have continually expanded our operations steadily every year despite the ailing economy.
